

October 26, 2023 | The Cascades Golf & Country Club

The Lady Golfers of the Cascades (LGC), a non-profit organization, is proud to partner with **Bethesda Health Clinic** in hosting **Hit The Greens For The Pink** on October 26 at The Cascades Golf & Country Club. All proceeds will benefit Bethesda Health Clinic, a 501c3 nonprofit that is 100% community supported and thrives from the generosity of medical volunteers, churches, individuals and businesses. Bethesda provides high quality, affordable care to working uninsured East Texans, and will use this funding exclusively to help its patients with breast cancer awareness and treatment.

Donations from businesses and individuals are extremely important in defraying costs of an event so that the majority of the funds will flow to the beneficiary, Bethesda Health Clinic. As a major sponsor, you will receive recognition through flyers, newsletters, radio announcements and signage at the event. ***Bethesda will use 100% of the funds to focus on patient navigation, advocacy and treatment by providing resources for breast cancer patients within the East Texas medical system.***

According to the American Cancer Society, breast cancer is the second most common cancer in women in the United States. The average risk of a woman in the U.S. developing breast cancer sometime in her life is about 13%, or a 1 in 8 chance. Though rare, breast cancer in men does occur. Less than 1% of all breast cancers develop in a man.

Breast cancer death rates have been decreasing since 1989, which is believed to be the result of finding breast cancer earlier through screening and increased awareness, as well as better treatments. As such, having access to medical resources is extremely important in early detection, which may not be readily available to the uninsured.

Please see the attached for sponsorship information and **consider joining our mission to make breast cancer early detection and treatment available to the uninsured in our area.**

We appreciate your consideration and support.

Sincerely,

Anne Watson-LGC Event Chair (Cell: 623-236-5418; annewatson9@yahoo.com)
