

The Cascades Golf & Country Club

Proudly Presents

HIT THE GREENS FOR THE PINK Golf Tournament on September 9, 2024

The Lady Golfers of the Cascades are in partnership with **Bethesda Health Clinic** for the second year and excited to be hosting **Hit The Greens For The Pink**. This event will be held on September 9 at The Cascades Golf & Country Club. Donations from businesses and individuals are so important in helping to cover the costs of the event so that the majority of the funds will flow to Bethesda Health Clinic.

Bethesda provides high quality, affordable care to working uninsured East Texans, and ***will use the event proceeds to focus on patient navigation, advocacy and treatment by providing resources for breast cancer patients within the East Texas medical system.***

Breast cancer survival rates are greatly enhanced through early detection, increased awareness, and better treatments. As such, having access to medical resources not readily available to the uninsured is so important.

Bethesda Health Clinic, a 501c3 nonprofit that is 100% community supported, thrives from the generosity of medical volunteers, churches, individuals, and businesses.

We would be honored to showcase your organization. Please look over the following sponsorship information and join us this year in our continued mission to make breast cancer early detection and treatment available to the uninsured in our area. *We appreciate your consideration and support.*

Sincerely,

Anne Watson - Event Co-Chair (Cell: 623-236-5418; annewatson9@yahoo.com)
